OUR MISSION

“Our mission is to deliver reliable and **efficient petroleum products** and **services** across Namibia”

2. COMPANY OVERVIEW

Blue Themes Energy (Pty) Ltd (BTE) is an independent energy company founded in 2023. BTE focuses on **supplying electricity**, distributing **petroleum products**, **providing logistical and fuel storage solutions**, and offering industrial gases throughout Namibia and neighbouring countries.

BTE Petroleum, a strategic division of BTE, is dedicated to delivering high-quality wholesale **petroleum products, lubricants, and industrial gases**, ensuring reliable fuel supplies for mission-critical operations. BTE is fully licensed by Namibia's Ministry of Mines and Energy to distribute petroleum products in line with the **Petroleum Products and Energy Act of 1990**.

BTE is a **locally owned and entrepreneurially driven company**, managed by individuals from **previously disadvantaged backgrounds**. We continuously seek opportunities to leverage technology and form strategic partnerships, driving Namibia's energy future forward.

VISION

To be Namibia's leading provider of high-quality petroleum products and services, driving innovation and sustainability in energy distribution while empowering local communities and fostering economic growth.

MISSION

Our mission is to deliver reliable and efficient petroleum products and services across Namibia, leveraging our expertise and strategic partnerships to meet the diverse needs of our customers. We are committed to upholding the highest standards of quality, safety, and integrity, while continuously seeking opportunities to innovate and support the development of Namibia's energy infrastructure.

CORE VALUES

- **Integrity:** Upholding the highest ethical standards in all our dealings.
- **Quality:** Delivering top-tier petroleum products and services consistently.
- **Reliability:** Ensuring dependable and timely supply for our customers.
- **Customer Focus:** Prioritizing the needs and satisfaction of our clients.

BTE PRODUCTS AND SERVICES

3. PRODUCTS AND SERVICES

WHY CHOOSE BTE PETROLEUM?

- **Integrity of Product:** Ensuring top quality in all products.
- **Rapid Delivery:** Efficient distribution and logistics solutions.
- **Competitive Pricing:** Offering market-leading rates.
- **Technical Support:** Backed by a team of experts.
- **Reliable Supply:** Consistency in supply chains.
- **Industry Knowledge & Experience:** Decades of expertise in the energy sector.

BTE focuses on distributing
petroleum products

4. INDUSTRY CERTIFICATIONS AND COMPLIANCE

BTE is dedicated to maintaining high standards of safety, quality, and environmental responsibility in every aspect of its operations. We are committed to obtaining ISO certifications and aligning our operations with international standards in health, safety, and environmental management.

FUTURE CERTIFICATIONS:

- ISO 9001 (Quality Management Systems)
- ISO 14001 (Environmental Management Systems)
- ISO 45001 (Occupational Health and Safety)

Regulatory Compliance: BTE has a valid Wholesale License to distribute petroleum products issued by the Ministry of Mines and Energy. BTE is also fully registered and in good standing with the Namibian Social Security Commission, Business and Intellectual Property Authority (BIPA) and the Namibia Revenue Agency.

5. KEY PROJECTS AND CLIENTS

We have partnered with a wide range of government agencies, private enterprises, and multinational corporations, providing them with customized fuel solutions, including reliable supply, technical support, and infrastructure services.

CLIENT STRUCTURE

BTE Petroleum serves a broad spectrum of industries, including:

- Defence & Security
- Mining & Construction
- Manufacturing
- Marine & Shipping
- Transportation & Logistics
- Agriculture
- Aviation

6. TEAM AND LEADERSHIP

BTE is led by a team of experienced professionals with deep expertise in the energy sector and downstream petroleum operations. The leadership team is **dedicated to customer satisfaction, innovation, and sustainability in everything we do.**
